

Kirkmichael Trust – learning activity evaluation form

Over the past twelve months, your school/department has been involved with one or more learning activities within our Kirkmichael 2016 project, which included site visits, in-classroom sessions and Kirkmichael Creative. You may also have been a teacher, adult trainee, student or senior pupil with some individual involvement in our project.

We would very much value some brief feedback about your engagement within these activities:

Your name:

Your role:

Your school/university name/department/class number/age group taught:

Tell us how you found out about the Kirkmichael Trust Learning Activities?

Please describe your involvement within the Learning or Training Activities?

Which activities did you feel were most beneficial?

How would you change the Learning activities on offer for future similar programmes?

Have you followed www.facebook.com/KirkmichaelTrust or visited www.kirkmichael.info?

Please provide any other comments you feel will be useful.

Please email this back to Verity Walker at verity@interpretaction.com before December 15th. Many thanks!
